S i r,

Referring to my unofficial reply No.23, dated, 7th March 1924, anent giving anti-rabic treatment in all the District Head Quarter Hospitals and in the Civil Hospital Robertsonpet and in the Dispensaries in important Taluk Head Quarters in charge of Assistant Surgeons, I have the honour to forward the enclosed copy of letter No.C.270, of 23-24 dated 27th March 1924, from the President, Sanitary Board, Kolar Gold Fields, in the matter, and to request that you will be so good as to obtain the orders of Government thereon, at an early date.

I have the honour to be,

Sir,

Your most obedient servant,

For SENIOR SURGEON.
(Absent from Station).

Encl:- 1.
PSR.

Letter No.C.270 of 23-24 dated 27th March 1924 from the President, Sanitary Board, Kolar Gold Fields, Champion Reefs, to the Senior Surgeon to the Government of Mysore, Bangalore.

----------ooo----------

With reference to Government Notification No.L.6802/ Med.120-22-2, dated the 3rd April 1923, ordering the treatment of persons bitten by rabid animals at the Victoria and Krishna rajendra Hospitals in Bangalore and Mysore Cities, and the discontinuance of sending patients for treatment to Conoor, I have the honour to state that the question of treating persons bit by rabid animals at the local Hospitals instead of despatching them either to Bangalore or Mysore for treatment was considered at the Meeting of the Sanitary Board when the following Resolution was recorded :-

"Subject No.20/21-12-1923. Proposal of the Medical Officer of Health in the matter of treatment of patients bitten by rabid dogs in Kolar Gold Fields.

Resolution.- A p p r o v e d. "

2. This arrangement will be more advantageous and convenient to the Residents of the Fields as they can have immediate relief and prompt treatment on the spot, besides avoiding unneessary journey to and fro to Bangalore.

European and Anglo-Indian cases are already being treated locally at the Mines Hospital. The Civil Hospital at Robertsonpet is well equipped and arrangements for such treatment there can be easily made.

3. The detailed arrangements proposed for undertaking the treatment are as follow:-

i. The dog bite cases and the dogs that bite will, in the first instance, be taken to the Medical Officer of Health as at present. The Medical Officer of Health will after necessary examination pass them on to the District Medical Officer for treatment, if they are found to require

require Anti-rabic treatment.

ii. The District Medical Officer will then give them necessary treatment.

iii. Serious cases which are very badly bitten will be treated as inpatients like other surgical cases in the Hospital.

iv. Two ordinary Hypodermic syringes with a fair supply of needles would be required.

v. The cost of serum for treating the patients will be borne by Government as in the case of Bangalore Victoria Hospital.

4. The District Medical Officer, K.G.F. who was consulted in the matter, has no objection to undertake the treatment in the Civil Hospital at Robertsonpet.

I request you therefore to be so good as to obtain the sanction of Government to these proposals and authorise the District Medical Officer, K.G.F. to admit and treat these patients in the Civil Hospital.

To

The Senior Surgeon in Mysore

Sir,

With reference to your letter No. G.C. 385 dy the 18th June 1924 forwarding copy of letter dy 27th March 1924 from the Presd Sanitary Board, N.G.T. in the matter of giving anti-rabic treatment in all the Distt Head Quarters Hospitals and in the Civil Hospital at Robertsonpet &c and requesting

over.

sanction to the proposals of the Presdt K. G. F. and to authorise the D. M. O., K. G. F. to admit and treat those patients in the Civil Hospital, I am directed to state that the Govt will have no objection to the arrangement proposed for the treatment of persons bitten by rabid dogs if the Sanitary Board bears the cost of the serum. As this is to be ~~Being~~ a matter concerning Public Health it is a proper charge on the funds of the Sanitary Board and as the Board have agreed to bear the cost ~~and~~ Govt do not propose to ~~Govt~~ deviate from the usual practice in the present case. - Para 1 of the arrangements proposed under para 3 of the Resident's letter should accordingly be carried

I have to
